

Product Information:

GROUND FORCE 10W-30 PLUS HORTICULTURAL ENGINE OIL

Description:

Ground Force 10W-30 Plus is designed to cope with the difficult conditions found in four stroke diesel and petrol engines fitted to horticultural, garden machinery and stationary equipment where multigrade oils are recommended.

The oil is blended from solvent refined base stocks and performance additives to control varnish, soot dispersancy, low temperature sludge, oxidation, rust and corrosion. Ground Force 10W-30 Plus is recommended for all year use.

Application:

Ground Force 10W-30 is designed for use in all horticultural 4 stroke engines, both diesel and petrol where an oil of this quality is required.

Performance Level

API CF-4 / SL

Physical Characteristics

Relative Density at 15 °C	0.870
Viscosity @ 100 °C	11.59
Viscosity @ 40 °C	77.17
Viscosity Index	143
Flash Point (closed) °C	206
Pour Point °C	-39
TBN, mg/KOH/g	10.4
